Rick Waddell – Careers Why Work At Northern Trust

Why should I work at Northern Trust?

Hello, I'm Rick Waddell, President and Chief Executive Officer at Northern Trust.

As you may know, we are a leading global provider of asset servicing, asset management and banking services to institutions and affluent individuals. It's an exciting time to work at Northern Trust. The industry is growing, and the clients we serve are interesting with complex needs. And our company is expanding rapidly to meet those needs. Plus, we're known for being a great place to work. Over the years, we've been recognized for our culture and our commitment to our employees.

What career opportunities will I find?

As a vibrant company, we offer a variety of careers worldwide. As you browse our Careers site, you'll find many interesting and challenging roles including operations, technology, investment management, banking, sales, marketing and many, many more.

How is Northern Trust different from other financial services companies?

First, our highly-focused strategy and client-centric approach differentiates Northern Trust from our competition. But what really differentiates us is our people. And the way we work together to serve our clients so they can focus on what really matters to them.

What does Northern Trust value in people?

Our culture values respect, integrity, ethics, service and teamwork. I recently celebrated my 32nd anniversary at Northern Trust and continue to enjoy both our culture and people. We exhibit a commitment to serving our clients with excellence, respecting others, and supporting our communities.

What kind of people is Northern Trust looking for?

We look for professionals who work well in teams and have strong values and principles. We want people who are technically strong their fields, and enjoy competing and winning in the marketplace. And we value diversity. Both in the varied skills that people bring to Northern Trust and the richness in their diverse backgrounds.
